

# CS4.0

# COMMERCIAL TREADMILL

## SIMPLE ELEGANCE

The TRUE® CS treadmills are the most powerful, ruggedly built and sophisticated machines to ever bear the TRUE name. Precision hand-built craftsmanship, innovative user-centric features and quality components vividly demonstrate our 26-year commitment to making the finest treadmills in the world. The CS4.0 delivers the simplest of displays for easy user interaction, the comfort of our patented Soft System® impact absorption system and a digital heart rate monitoring system resulting in a pure, refined workout experience.

### THE BEAUTY IS A BEAST

The TRUE CS4.0 is built on an 11-gauge, robotically welded steel frame that provides uncompromising stability even under the most rigorous pounding.

### POWERFUL DRIVE SYSTEM

The TRUE CS4.0 comes equipped with an industry leading 5 hp MaxDrive™ AC motor that drives the largest running surface in the industry. The internal self-cooling system ensures years of powerful and dependable operation.

### TRUE IMPACT ABSORPTION

TRUE's patented Soft System offers the most biomechanically correct running surface available. Neoprene shock absorbers in the front third of the deck cushion each foot strike while the back of the deck provides a firmer surface, allowing for a stronger push off with each step.

### USER FRIENDLY INTERACTION

The CS4.0 basic LED screen is designed for intuitive simplicity and provides the standard information that users want most in a consolidated, easy-to-read display.

### HEART RATE

The CS4.0 is equipped with a digital contact heart rate monitoring system as well as a Polar® wireless telemetry system, both of which assist users in maintaining their optimum heart rate and maximizing their workout results.

### ENTERTAINMENT

The CS4.0 provides CSAFE power as well as seamless integration with all TRUE Entertainment™ options.

### BUILT FOR THE LONG RUN

The solid steel frame is guaranteed for life. The MaxDrive motor is covered for five years, all other parts for three years. All labor costs carry a full three year warranty from the date of purchase.

# COMMERCIAL TREADMILL

DRIVE SYSTEM	Motor	5 hp Self Cooling, Continuous Duty MaxDrive AC Motor
	Speed Sensor	Magnetic Hall-Effect Sensor
	Power Source	120 Volt/20 Amp Dedicated (NEMA 5-20 Receptacle) Cord Length: 12' (3.7 m)
RUNNING SURFACE	Deck	Double Sided Thermally Fused Laminated 1" Medium Density Fiberboard
	Belt	Siegling™ Multi-Ply Belt with PVC Coating
	Rollers	3.5" Diameter Rollers with Sealed Bearings
	Impact System	TRUE Soft System (6 neoprene shock absorbers)
	Lubrication	Silax™ (Proprietary Lubricant)
FRAME AND LIFT	Frame	11-Gauge Heavy-Duty Welded Steel
	Pedestals	Hydroformed Steel
	Finish	Powder Coat
	Incline Motor	Compression Elevation Motor with 1000 lbs of Thrust
	Handrails	Molded Urethane, Moisture Resistant Flared Handrails
	Portability	Front Mounted Wheels with Built In Rear Handholds
CONSOLE	Display Type	LED
	Keys	Main Keypad: Membrane Switches; Balance Bar: N/A
	Express Command Keys	Quick Speed
	Data Readouts	Speed, Incline, Elapsed Time, Pace, METs, Calories, Distance
	Message Center	N/A
HEART RATE	Contact Heart Rate	Digital - 4 Sensing Pads
	Telemetry Heart Rate	Wireless - Polar® Equipped
	HRC® Programs	N/A
WORKOUT PROGRAMS	Preset	2 - Manual, Quick Start
	User Defined	N/A
	Fitness Tests	N/A
OTHER FEATURES	Entertainment	Seamless Integration with TRUE Entertainment Options
	Communications	N/A
	Diagnostics	Software Version, Hours, Miles, Starts, Display, Heart Rate, Backlight, Contrast, Lower Control Board, RS232, Auxiliary Boards, Remote Keys, Current, Safety Switch, Program Usage, Watch Dog
	Accessories	Reading Rack, 2 Water Bottle Holders, 2 Accessory Trays
	Safety	Safety Clip Equipped
PHYSICAL SPECIFICATIONS	Footprint	84.5"L x 37"W (215 cm x 94 cm)
	Running Surface	23"W x 63"L (58 cm x 160 cm)
	Weight / Shipping Weight	515 lbs (234 kg) / 612 lbs (278 kg)
	Maximum User Weight	500 lbs (227 kg)
	Incline	0 to 18%
	Speed	0 - 12 mph (0 - 20 kph)
	Step-Up Height	11.5" (29.2 cm)
	Regulatory Approvals	UL, CSA, FCC, CE
WARRANTY	Warranty	Frame Lifetime, Motor 5 Years, Parts 3 Years, Labor 3 Years
