

**ALL NEW DESIGN**

The TRUE® CS8.0 walk-through recumbent bike is easy on the eyes and even easier to use. Since users don't have to step over the frame to reach the seat, it's perfect for all ages, especially seniors and/or members who are rehabbing an injury.

LOOKS GOOD ANYWHERE

The CS8.0 bikes can be placed anywhere in your facility because their power is self-generated. An external power option is also available to keep the console continuously illuminated, if desired.

TOUR DE FORCE

The CS8.0 upright bike is designed for those seeking a realistic cycling experience. The ergonomic design is ideal for all riders and the aero bars provide great leverage and comfort for long distance sessions.

INTUITIVE DISPLAYS

TRUE uses logical control panels and a 17 character dual window, custom LCD screen that is easy to read and understand, so your users can spend more time working out than trying to figure out how to get started.

SEATED FOR COMFORT

TRUE ergonomically engineered the CS8.0 recumbent bike's adjustable seat to feature a reclining back from 45 to 75 degrees and 24 seat position options in 5/8" increments to enhance lumbar support. Users will also find comfort in the oversized padded design of the seat.

The CS8.0 upright has 15 seat adjustments to allow for proper leg extension for users of all heights. Users will also find comfort in the oversized padded design of the seat.

TRUE HRC (HEART RATE CONTROL)®

Built in digital contact HRC® and Polar® Wireless compatibility means that users can train efficiently and safely by using the TRUE HRC program to automatically adjust his/her effort to match the desired target heart rate.

ENTERTAINMENT

The CS8.0 recumbent bike provides CSAFE power as well as seamless integration with all TRUE Entertainment™ options.

BUILT FOR ENDURANCE

TRUE offers one of the most comprehensive stationary bike warranties in the industry: lifetime frame, three years on parts and three years labor coverage. We stand behind our products, so you can enjoy years of worry free service.
